*Here's how your
trip will unfold...*

Day 1-Arrive in Denver

Your mountain holiday begins as we pick you up from your Seattle area home and take you to SeaTac airport for a flight to Colorado. After arriving in Denver, you are transferred to your hotel. Tonight enjoy a get-acquainted dinner hosted by your Tour Manager. **(Dinner)**

Day 2-Colorado Springs

This morning we travel to Colorado Springs and see the U.S. Air Force Academy and its famous Cadet Chapel (when available). Next it's on to the stunning Garden of the Gods, a 1,300+-acre park where flora and fauna reflect the rich diversity of the terrain, and red sandstone formations tell a unique geological story. The Garden lies at the base of Pikes Peak, which is our next adventure. "Ride to the Clouds!" aboard the Pikes Peak Cog Railway, the highest cog railroad in the U.S. Stretching nine miles long the cog railway vertically climbs 7,539 feet! **(Breakfast and dinner)**

Day 3-Royal Gorge Scenic Railway

Welcome to Canon City, site of Royal Gorge. Today we enjoy another journey by train aboard the Royal Gorge Railway. The 12-mile route follows the most famous portion of the old Denver and Rio Grande Western train line. We ride through the "Grand Canyon of the Arkansas" on an unforgettable journey over the famous Hanging Bridge, which clings precariously to the steep granite walls of Royal Gorge. This evening we gather for dinner together. **(Breakfast and dinner)**

Day 4-Cumbres & Toltec Scenic Railroad

Today we'll ride the original Rio Grande Line over the Rockies aboard the Cumbres & Toltec Scenic Railroad. This is America's most spectacular narrow gauge steam railroad and it explores 50 miles of wild and rugged territory between Antonito and Cumbres Pass, the highest point on the railroad. We enjoy lunch at Osier as we think of the gold and silver miners as well as the loggers who traveled the same route long ago. **(Lunch)**

This evening we gather together for dinner and reflect on our day's adventure. **(Breakfast and dinner)**
