NEW YORK CITY- MY KINDA TOWN

August 24th-30th, 2019/ 7 Days

Join Alki Tours on this exciting trip to New York, New York! When most people think of New York City, they think of Manhattan. When the first colonist arrived in 1662, Manhattan was a rugged, wooded island, inhabited only by a small band of Native Americans at its northern end. A mere three-and-a-half centuries later, it had become our most concentrated definition of the word "city." Only 12½ miles long and 2½ miles wide at its widest point, it is the center of American culture, communications and business, containing an enormous variety of restaurants, shops, museums and entertainment.

This tour is a fantastic way to explore what New York City has to offer – for a wonderful price!
