*Here's how your trip will  
unfold...*

#### **Day One: Seattle-Coombs Old Country Market-Port Alberni**

Let's head to see the wilds of Vancouver  
Island. We'll begin with a scenic ferry ride to  
Nanaimo BC. Tour Coombs Old Country  
Market- home to the roof top goats.

From Parksville, Highway 4 cuts due west,  
climbing up over the mountainous spine of  
Vancouver Island before dropping into Port  
Alberni, at the head of the Pacific's Alberni  
Inlet. Tonight, we will transport you to  
Chances Rim Rock Casino for dinner in the  
Cypress Dining Room. From towering cedars  
to massive Douglas Firs, enjoy a 25,000 sq ft  
Pacific Rainforest themed gaming center.

**Meals included: juice, pastries and a  
welcome dinner**

#### **Day Two: Broken Island Cruise**

You are about to spend a day much as you  
might have done over 60 years ago, when the  
Lady Rose was a baby and the principal means  
of transportation along the B.C. coast was by  
ships and crew similar to today's Lady Rose  
and Frances Barkley. These ships emulate the  
slower pace of life of yesteryear and you'll  
have plenty of time to look for wildlife and  
enjoy the scenery as well as make the  
acquaintance of your fellow passengers

through the waters of the Broken Group  
Islands spotting eagles, seals, sea lions and a  
variety of marine birds. You are invited to  
share your experiences with the ship's crew  
when they are not engaged in landing at a  
wharf of float, or loading/unloading freight.  
So bring your binoculars, and camera and  
film, a warm jacket and casual clothes (these  
are working packet freighters) and thoroughly  
enjoy your day.

**Meals included: breakfast and dinner**

#### **Day Three: Port Alberni Steam Train & McLean Mill**

You can board the train pulled by our  
completely restored 1929 Baldwin ex-logging  
locomotive at the 1912 CPR Station and ride  
out to the McLean Mill National Historic Site.  
The track winds through the City of Port  
Alberni and then the surrounding forests for  
35 minutes each way. You and your guests  
will discover British Columbia's forest  
legacy, with an authentic and unique snapshot  
of the past including steam-powered  
machinery, rustic buildings, and a beautiful  
forest setting. McLean Mill National Historic  
Site's resident guides make history come alive  
with guided tours around the site.
